

MOUNIKESH GOUD

Chicago, IL | +1 312-493-3102 | mounikeshofficial001@gmail.com | linkedin.com/in/mounikesh-goud-4826b5214

EDUCATION

Governors State University
Master's in Computer Science

Aug 2023 - May 2025

St. Mary's Engineering College
Bachelor of Technology in Electronics and Communication Engineering

June 2019 - Sep 2022

EXPERIENCE

Associate Software Engineer, Nagarro

May 2020 - Aug 2023

Specialized in automation testing to ensure software quality and reliability. Worked with Java, Selenium, Appium, C#, and Python.

Embedded System Design, NSIC

Jan 2019 - Aug 2019

Completed hands-on training in embedded system design, networking, and computer peripherals.

PROJECTS

Predicting Flight Ticket Prices Using Machine Learning

Predicted future flight ticket prices using machine learning and Azure based on historical trends.

AWS GenAI Restaurant Onboarding Assistant

Streamlined restaurant onboarding by enabling owners to upload menus for AI-driven product suggestions.

GenAI Virtual Agent Using AWS

Built a conversational virtual agent for an e-commerce platform using AWS services (Lex, Bedrock, Lambda, S3, API Gateway, Amplify) to answer FAQs, suggest products, and provide a web interface.

Non-Contact Hand Gesture-Based Wireless Robot

Led the development of a hand gesture-controlled wireless robot, integrating creativity with technical design.

SKILLS

Programming Languages: Python, Java, C++, HTML/CSS, SQL, React

Frameworks/Libraries: ASP.NET, PyTorch, TensorFlow, LangChain, Selenium, BDD/Cucumber

Cloud Platforms: AWS (Bedrock, SageMaker, Lambda), Azure (ML Studio, Databricks, Kubernetes)

AI/ML Tools: Jupyter Notebooks, Pandas, Scikit-learn, Hugging Face Transformers

CERTIFICATIONS

- Generative AI with Large Language Models (**Deeplearning.ai**)
- AWS Machine Learning Speciality MLS-C01 (Udemy)
- Machine Learning, Data Science, and GenAI with Python (Udemy)

ACHIEVEMENTS

- Honored with a Prize and a medal for the robotic project.
- Honored with first prize three times in university dance competitions
- Received the Best Entertainer award for hosting at the University Event.
